Option to write your submission Or any comments:	<p>To whom it may concern, I am a resident of Cape Jaffa that has recently purchased a house with the understanding that I had fresh drinkable water supply from the Cape Jaffa development. It has been brought to my attention that Cape Jaffa Anchorage is applying to change their water licence which will mean we are left without drinking water on our property. I object to this movement being passed and believe they have an obligation to the residents of the development.</p>
