# 1. PRELIMINARY

---

## 1.1. Authority

- 1.1.1. This industry code is made by the **Commission** pursuant to the powers of the **Commission** under section 28 of the *Essential Services Commission Act 2002*.

## 1.2. Interpretation

- 1.1 Words and phrases in bold like **this** in this industry code are defined in clause 6.1.
- 1.2 This industry code must be interpreted according to the principles in clause 6.2.

## 1.3. Application

- 1.3.1. This industry code applies to each **retailer** as a condition of its retail licence granted under the Electricity Act 1996 or the Gas Act 1997 unless otherwise expressly provided in this industry code.
- 1.3.2. This industry code applies only to **retailers** that have the approval of the **Commission** to implement a **prepayment meter system** pursuant to their retail licence issued by the **Commission**.
- 1.3.3. Nothing in this industry code is to be taken as requiring a **retailer** to offer a **prepayment meter market contract**.

## 1.4. Interaction between industry codes

- 1.4.1. This industry code is to be read in conjunction with the **Energy Retail Code**, the **Energy Marketing Code** and the **Energy Customer Transfer and Consent Code**.
- 1.4.2. References in the **Energy Retail Code**, the **Energy Marketing Code** and the **Energy Customer Transfer and Consent Code** to **market contracts** are to be read as also referring to **prepayment meter market contracts**.
- 1.4.3. To the extent that there is any inconsistency between this industry code and an industry code specified in clause 1.4.1 in relation to a **prepayment meter market contract**, this industry code will prevail.

## **1.5. Other Acts, industry codes and guidelines**

- 1.5.1. Not all aspects of a **retailer's** obligations in respect of a **prepayment meter market contract** are regulated by this industry code.
- 1.5.2. A **retailer's** obligations and some aspects of the relationship between a **small customer** and a **retailer** are also affected by:
  - (a) Acts of Parliament and regulations made under those Acts of Parliament;
  - (b) the retail licence held by the **retailer**;
  - (c) other industry codes made by the **Commission** from time to time; and
  - (d) the terms of an agreement in place between a **retailer** and a **distributor**.

## 2. PREPAYMENT METER MARKET CONTRACTS

---

### 2.1. *Prepayment meter market contract*

- 2.1.1. A **retailer** must only sell energy to a **small customer** using a **prepayment meter system** under a **prepayment meter market contract** or a **default contract**.
- 2.1.2. A **retailer** must not sell energy to a **small customer** using a **prepayment meter system** under a **standing contract**.

### 2.2. *Consent*

- 2.2.1. A **retailer** must obtain the **explicit informed consent** of a **small customer** to enter into a **prepayment meter market contract**.
- 2.2.2. The **explicit informed consent** of a **small customer** can be obtained only after timely, accurate, verifiable and truthful information about the **prepayment meter market contract** has been provided to the **small customer**.
- 2.2.3. A **retailer** must not use undue harassment or coercion in connection with the sale or possible sale of energy to a **small customer** under a **prepayment meter market contract**.

### 2.3. *Written Disclosure Statement*

- 2.3.1. Subject to this clause 2.3, a **retailer** must comply with the **Energy Marketing Code** in relation to the marketing of **prepayment meter market contracts**.
- 2.3.2. The **written disclosure statement** which must be provided to a **small customer** in respect of a **prepayment meter market contract** must include, in lieu of the information specified by clauses 14(c) to (l) of the **Energy Marketing Code**, the following information:
  - (a) the date of commencement of the **prepayment meter market contract**;
  - (b) the fees, charges and tariffs that will be applicable for the retailing of **energy** under the **prepayment meter market contract**;
  - (c) all costs to the **small customer** associated with entering into the **prepayment meter market contract** including fees, charges and tariffs;
  - (d) the method by which the **small customer** will receive any State Government energy concession to which they are entitled;

- (e) the methods by which the **small customer** can make payments to the **prepayment meter system** account and the locations of payment centres or recharge facilities (if relevant);
- (f) the amount of emergency credit to be provided in the **prepayment meter system**;
- (g) connection and installation costs;
- (h) termination and **prepayment meter system** removal or reversion charges which may apply, the circumstances in which such charges will apply and the method of calculation of those charges;
- (i) dispute resolution options which are available to **small customers**;
- (j) details of the right conferred on the **small customer** to rescind the **prepayment meter contract** in accordance with clause 1.3.3 of the **Energy Retail Code** Part A;
- (k) details of the **trial period** at or before the expiry of which the **small customer** may terminate the contract; and
- (l) contact details for the **retailer's small customer** enquiry, complaints and emergency service.

## **2.4. Provision of Information**

### **Operating Instructions**

2.4.1. A **retailer** must, at no charge, provide the following information on the use of the **prepayment meter system** to a **small customer** who enters into a **prepayment meter market contract** :

- (a) instructions on how to operate the **prepayment meter system** which are:
  - (i) expressed in clear, simple and concise language, and
  - (ii) in a format which makes it easy for a person not familiar with the operation of a **prepayment meter system** to understand;
- (b) instructions on how to access the emergency credit facility of the **prepayment meter system**;
- (c) instructions on how to obtain a refund of remaining credit when the **prepayment meter market contract** is terminated;

- (d) instructions on how and where payments to the **prepayment meter system** account can be made; and
- (e) the **retailer's** telephone number(s) for complaints, enquiries and emergencies.

2.4.2. If requested by the **small customer**, the **retailer** must use its best endeavours to provide the operating instructions in a language other than English requested by the **small customer**.

### **Consumption Information**

2.4.3. On request, a **retailer** must, at no charge, give a **small customer** the following information relating to the **small customer's supply address**:

- (a) total energy consumption;
- (b) average daily consumption; and
- (c) average daily cost of consumption

for the previous two years or since the commencement of the **prepayment meter market contract** (which ever is the shorter) divided into quarterly segments.

## **2.5. Minimum Terms and Conditions**

2.5.1. In addition to the requirement specified in clause 1.4 of the **Energy Retail Code** Part A, a **retailer** must ensure that the terms and conditions of each **prepayment meter market contract** it enters into with a **small customer** are not inconsistent with the following provisions:

### **Mandatory Trial Period**

- (a) a **prepayment meter market contract** must provide for a minimum three-month period at or before the expiry of which the **small customer** may terminate the **prepayment meter market contract** with no penalty, exit or termination charges or meter removal or reversion charges (the **trial period**);
- (b) where a **small customer** exercises the termination right under clause 2.5.1(a), the **retailer** must make immediate arrangements for:
  - (i) the removal or rendering non-operational of the **prepayment meter system** at no cost to the **small customer**,

- (ii) the installation of a **standard meter** or the reversion of the **prepayment meter system** to a standard operating mode so that the **prepayment meter system** operates as a **standard meter** at no cost to the **small customer**; and
  - (iii) provide information about and a general description of the **standing contract** and **market contract** options available to the **small customer**.
- (c) the **retailer** must send a notice to the **small customer** not more than twenty **business days** and not less than ten **business days** prior to the expiry of the **trial period** advising the **small customer** of the date of the expiry of the trial period and the options available to the **small customer**.

### **Specification of Fees and Charges**

- (d) a **small customer** who is a party to a **prepayment meter market contract** is only liable for fees (which may include connection and installation fees, fees for the provision of or replacement of a card to operate the **prepayment meter system**, termination and meter removal or reversion charges) permitted by this industry code and other fees approved by the **Commission** and charges (comprising distribution, retail and other charges relating to the sale and supply of energy at the **small customer's supply address**) specified and identified in the **prepayment meter market contract**.

### **Separate charging for other goods and services**

- (e) where a **retailer** provides goods and services, other than those goods and services referred to in 2.5.1(d), the **retailer** must bill the **small customer** for those goods and services separately and must not recover any payment for those goods and services under the **prepayment meter market contract** or under any other contract or agreement which adjusts the charges in the **prepayment meter system** to recover the amount.

### **Limitation on the recovery of debt**

- (f) subject to this industry code, where a **small customer** owes a debt to a **retailer**, other than of a kind referred to in clause 4.9 or clause 4.10, the **retailer** must not recover any repayments of the debt under the **prepayment meter market contract** or under any other contract or agreement which adjusts the charges in the **prepayment meter system** to recover the amount of the debt.

### ***Credit Retrieval***

- (g) a ***prepayment meter market contract*** must explain how a ***small customer*** can obtain a refund of any credit remaining in the ***prepayment meter system*** account when the ***prepayment meter market contract*** is terminated or otherwise ends.

### ***Life Support Equipment***

- (h) a ***retailer*** must not enter into a ***prepayment meter market contract*** with a ***small customer*** who requires a ***life support system***.
- (i) if a ***small customer*** notifies the ***retailer*** that he or she now requires a ***life support system***, the ***retailer*** must make immediate arrangements for:
  - (i) the removal or rendering non-operational of the ***prepayment meter system*** at no cost to the ***small customer***,
  - (ii) the installation of a ***standard meter*** or the reversion of the ***prepayment meter system*** to a standard operating mode so that the ***prepayment meter system*** operates as a ***standard meter*** at no cost to the ***small customer***; and
  - (iii) provide information about, and a general description of, the ***standing contract*** and ***market contract*** options available to the ***small customer***.

## ***2.6. Application of the Energy Retail Code***

- 2.6.1. A ***retailer*** need only comply with the ***Energy Retail Code*** Part A in respect of a ***prepayment meter market contract*** to the extent provided in this clause 2.6:

- (a) Clause 1.3.3 Cooling off;
- (b) Clause 1.3.4 Compliance with applicable regulatory instruments;
- (c) Clause 1.3.5 Commencement of financial responsibility under market contracts;
- (d) Clause 1.3.6 Laws of South Australia to govern market contracts;
- (e) Clause 1.3.7 Restrictions on Retailer's limitation of liability in market contracts;

- (f) Clause 1.6.1 (b), (c) and (d) in situ terminations;
- (g) Clause 1.6.2 (a), (b) and (d) Termination for vacation of supply address;
- (h) Clause 2 Customer Charter and Service Standards;
- (i) Clause 3 Enquiries Complaints and Dispute Resolution;
- (j) Clause 4 Applications;
- (k) Clause 7.5 Concessions Rebates or Grants;
- (l) Clause 8 Security Deposits and Alternatives;
- (m) Clause 11 Special Needs;
- (n) Clause 12 Advice on the Use of Energy;
- (o) Clause 13 Force Majeure;
- (p) Clause 14 Retailer of Last Resort;

2.6.2. All references to **market contracts** or customer sale contracts in the clauses of the **Energy Retail Code** specified in clause 2.6.1 are to be read as including **prepayment meter market contracts**.

### 3. PREPAYMENT METER DEFAULT CONTRACTS

---

#### 3.1. *Default Contract Terms and Conditions*

3.1.1. The **default contract** terms and conditions for electricity and ~~gas~~ **default customers** who take **supply** at a **supply address** at which a **prepayment meter system** is installed must include the following minimum terms and conditions:

- (a) That the **retailer** will not charge the **default customer** any fees, charges or other costs (other than energy costs and a fair and reasonable deposit for the use of a smart card or other similar technology if required to access the **prepayment meter system**) for using the **prepayment meter system**,
- (b) That the **retailer** will, if requested to do so by the **default customer** make immediate arrangements for:
  - (i) the removal or rendering non-operational of the **prepayment meter system** at no cost to the **default customer**; and,
  - (ii) the installation of a **standard meter** or the reversion of the **prepayment meter system** to a standard operating mode so that the **prepayment meter system** operates as a **standard meter** at no cost to the **default customer** and.
- (c) default contract terms and conditions set out in the **Energy Retail Code** Part B or C, appropriately amended to take account of differences which arise with the use of prepayment meters.

#### 3.2. *Obligations to advise of default contract*

3.2.1. Where a **default customer** enters into a **default contract** with a **retailer** which is financially responsible to pay the wholesale energy market for energy used at a **supply address** where a **prepayment meter system** is installed, the **retailer** must, within five (5) **business days** of becoming aware that a **default customer** has entered into a contract with it, advise that **default customer** of:

- (a) the terms and conditions of the **default contract**,
- (b) information on how to operate the **prepayment meter system** and the location of recharge facilities (if relevant);

- (c) the existence and a general description of the **retailer's prepayment meter market contracts, market contracts**, if any and, if the **retailer** has the standing offer obligation under the **Electricity Act** or **Gas Act**, the **retailer's standing contract**,
- (d) whether or not the **retailer** proposes to offer the **default customer** a contract of a kind referred to in (c),
- (e) the ability of the **default customer** to choose a **retailer** from whom it wishes to purchase **energy**,
- (f) the existence of the **standing contract** offered by the **retailer** which has the **standing offer obligation** under the **Electricity Act** or **Gas Act** and contact details for that **retailer**, but this advice must only be given if the **retailer** does not propose to offer a **market contract** or a **prepayment meter market contract** to the **default customer**,
- (g) the ability of the **default customer** to request that the **retailer** make immediate arrangements for:
  - (i) the removal or rendering non-operational of the **prepayment meter system** at no cost to the **default customer** and
  - (ii) the installation of a **standard meter** or the reversion of the **prepayment meter system** to a standard operating mode so that the **prepayment meter system** operates as a **standard meter** at no cost to the **default customer**.

## 4. REQUIREMENTS FOR PREPAYMENT METER SYSTEMS

---

### 4.1. Customer consultation

- 4.1.1. A **retailer** which offers to sell energy to **small customers** using a **prepayment meter market contract** must establish a Prepayment Meter Customer Consultation Group with membership drawn from South Australian consumers with its **prepayment meter systems** and South Australian consumer groups.
- 4.1.2. Information about the meetings and activities of a **retailer's** Prepayment Meter Customer Consultation Group must be detailed on the **retailer's** web-site.
- 4.1.3. The Consultation Group must continue in existence for a minimum of three years from the date on which the Commission approves the adoption of a **prepayment meter system** by a **retailer**.

### 4.2. Customer enquiries and complaints

- 4.2.1. A **retailer** must, prior to commencing to sell electricity or gas to **small customers** under a **prepayment meter market contract**, establish and maintain an enquiry, complaints and emergency telephone service to provide information, advice and assistance about the operation of the **retailer's prepayment meter system**.
- 4.2.2. If the service established by the **retailer** under clause 3.1.1 of the **Energy Retail Code**, is able to provide the information advice or assistance described in clause 4.2.1, then it may be used for the purpose of this industry code.

### 4.3. System Requirements

- 4.3.1. A **retailer** offering a **prepayment meter market contract** must ensure that:

#### **System Display**

- (a) the **prepayment meter system** displays:
  - (i) the financial balance of the **prepayment meter system**, accurate as to within \$1.00 of the actual balance;
  - (ii) whether the **prepayment meter system** is operating in normal credit or emergency credit mode; and
  - (iii) current consumption information (in both kW or MJ and \$AUD).

### ***Disconnection Times***

- (b) the ***prepayment meter system*** does not disconnect supply to the ***small customer*** other than between the hours of 10.00am and 3.00pm on a week day;

### ***Recommencement of Supply***

- (c) where supply has been disconnected through the means of the ***prepayment meter system***, the ***prepayment meter system*** is capable of recommencing supply as soon as information is communicated to the ***prepayment meter system*** that a payment to the ***prepayment meter system*** account has been made which exceeds the amount of emergency credit;

### ***Concessions***

- (d) ***small electricity customers*** who are entitled to the State Government energy concession receive the benefit of that entitlement;

### ***Emergency Credit***

- (e) the ***prepayment meter system*** must provide an amount of emergency credit not less than:
  - (i) for electricity - \$10 (or such other amount as is approved by the ***Commission*** from time to time);
  - (ii) for gas - \$5 (or such other amount as is approved by the ***Commission*** from time to time)

### ***Access to Metering Data***

- (f) access is provided to ***metering data*** as required by all ***applicable regulatory instruments***

## ***4.4. Payment Difficulties and Hardship***

### ***Capacity of Prepayment Meter Management System***

- 4.4.1. A ***retailer's prepayment meter system*** must be capable of identifying to the ***retailer*** every instance on which a ***small customer*** has ***self-disconnected*** and the duration of that disconnection.

### ***Dealing with Payment Difficulties***

4.4.2. Where a ***small customer*** informs the ***retailer*** in writing or by telephone that the ***small customer*** is experiencing payment difficulties, or the ***retailer's prepayment meter system*** management system identifies to the ***retailer*** in accordance with clause 4.4.1 that a ***small customer*** has ***self-disconnected*** three or more times in any three-month period for longer than 240 minutes on each occasion the ***retailer*** must contact the ***small customer*** as soon as is reasonably practicable to:

(a) offer to make immediate arrangements for:

- (i) the removal or rendering non-operational of the ***prepayment meter system***; and
- (ii) the installation of a ***standard meter*** or the reversion of the ***prepayment meter system*** to a standard operating mode so that the ***prepayment meter system*** operates as a ***standard meter***;

at no cost to the ***small customer***.

- (b) provide information about, and a general description of, the ***standing contract*** and ***market contract*** options available to the ***small customer***,
- (c) provide information about and referral to State Government assistance programmes, and
- (d) provide information on independent financial and other relevant counselling services.

### ***Record Keeping***

4.4.3. The ***retailer*** must maintain verifiable records of customer contacts under this clause 4.4 in a format which permits the ***retailer*** to answer any enquiries by the ***Commission***, the ***Industry Ombudsman*** or any other entity permitted by an ***applicable regulatory instrument*** to access that information.

## ***4.5. Payment towards prepayment meter system account***

### ***Recharge Facilities, Times and Locations***

4.5.1. A ***retailer*** which has entered into a ***prepayment meter market contract*** with a ***small customer*** must ensure that it has in place facilities for the ***small customer*** to make payments in relation to the ***prepayment meter system*** account by at least one of the following methods:

- (a) by cash, at a minimum of two locations which are readily accessible to the **small customer**, one of which is open between 9.00am and 5.00pm on any day of the week (including Saturdays, Sundays and public holidays (excluding Christmas Day)); or
- (b) by a 24-hour, 7 days a week telephone service, using credit card, debit card, electronic funds transfer or any other telephone payment method which is acceptable to the **retailer** and agreed to by the **small customer**, or
- (c) by a 24-hour 7 days a week electronic or other payment method which is acceptable to the **retailer** and agreed to by the **small customer**.

### **Minimum Payment**

- 4.5.2. A **retailer** must ensure the minimum amount that the **small customer** can pay in relation to the **prepayment meter system** account is an amount between \$1.00 and \$10.00.

## **4.6. Variation of charges**

- 4.6.1. Where a **retailer** has entered into a **prepayment meter market contract** with a **small customer**, a variation in the tariff rate or charge applying to the **small customer** may only be imposed if notice of new rates or charges is provided to the **small customer** at least 20 **business days** before the variation takes effect.
- 4.6.2. Notice must be given in accordance with the method outlined in the **prepayment meter market contract**.

## **4.7. System Testing**

- 4.7.1. Where a **small customer** requests that the whole or part of the **prepayment meter system** be checked or tested, the **retailer** must make immediate arrangements for one or more of the following:
  - (a) a check of the **metering data**;
  - (b) a check or test of the **prepayment meter system** or
  - (c) a check or test by the **responsible person** for the meter installation at the **small customer's connection point**.
- 4.7.2. The customer must pay the **retailer** in advance the **retailer's** (and, where appropriate, the **small customer's distributor's** or metering provider's)

reasonable charge (whichever is applicable) for any checks or tests undertaken in accordance with clause 4.7.1.

- 4.7.3. If a **prepayment meter system** is found to be inaccurate or not operating correctly following a check or test undertaken in accordance with clause 4.7.1, a **retailer** must:
- (a) correct any overcharging or undercharging in accordance with clauses 4.8 and 4.9;
  - (b) refund any fee paid in advance under clause 4.7.2;
  - (c) make immediate arrangements to replace or repair the **prepayment meter system**, and
  - (d) advise the **small customer** of the existence of its dispute resolution processes under clause 3 of the **Energy Retail Code**

#### **4.8. Overcharging**

- 4.8.1. Where a **small customer** has been overcharged as a result of an act or omission of the **retailer** or **distributor**, the **retailer** must inform the **small customer** of that overcharging within 10 **business days** of the **retailer** becoming aware of that overcharging and:
- (a) ask the **small customer** for instructions as to whether the amount should be:
    - (i) repaid to the **small customer** or
    - (ii) added to the balance of the **prepayment meter system** account.
  - (b) where the **retailer** asks for instructions from a **small customer** under (a) and no instructions are provided by the **small customer** within 20 **business days**, the **retailer** must add to the balance of the **prepayment meter system** account the amount overcharged to the **small customer**.

#### **4.9. Undercharging**

- 4.9.1. Where a **retailer** has undercharged a **small customer** as a result of an act or omission of the **retailer** or **distributor**, the **retailer** must inform the **small customer** within 10 **business days** of becoming aware of that undercharging and at that time indicate the amount undercharged and whether or not it proposes to recover from the **small customer** the amount undercharged.

4.9.2. Where a **retailer** proposes to recover an amount undercharged as a result of a **retailer's** or **distributor's** error, the **retailer** must:

- (a) limit the amount to be recovered to the amount undercharged in the 12 months prior to informing the **small customer** of the undercharging;
- (b) provide details and explanation of the amount to be recovered;
- (c) not charge the **small customer** any interest on the amount;
- (d) offer the **small customer** time to pay the amount undercharged, by agreed instalments or by an agreed adjustment to the charges in the **prepayment meter system**, over a period nominated by the **small customer** being no longer than the period during which the undercharging occurred (if the undercharging occurred over a period of less than 12 months) or in any other case 12 months.

#### **4.10. Illegal Energy Use**

4.10.1. Despite clause 4.9, if a **retailer** has undercharged or not charged a **small customer** as a result of the **small customer's** fraud or intentional consumption of **energy** otherwise than in accordance with **applicable regulatory instruments**, the **retailer** may estimate the consumption for which the **small customer** has not paid and either:

- (a) bill the **small customer** for all of the unpaid amount, or
- (b) make an agreed adjustment to the charges in the **prepayment meter system** to recover the unpaid amount.

## 5. REVERSION AND TRANSFER

---

### 5.1. *Customer termination or request for removal*

5.1.1. If a **small customer** who is a party to a **prepayment meter market contract** terminates the **prepayment meter market contract** or requests the removal of the **prepayment meter system**, otherwise than in accordance with clause 2.5.1 or clause 4.4 of this industry code, the **retailer** must make immediate arrangements for:

- (a) the removal or rendering non-operational of the **prepayment meter system**;
- (b) the installation of a **standard meter** or the reversion of the **prepayment meter system** to a standard operating mode so that the **prepayment meter system** operates as a **standard meter**; and
- (c) the provision of information about, and a general description of, the **standing contract** and **market contract** options available to the **small customer**.

5.1.2. Subject to the provisions of this industry code relating to the **mandatory trial period** (clause 2.5.1), **life support systems** (clause 2.5.1), hardship (clause 4.4) and default contract arrangements (clause 3), a **retailer** may recover fair and reasonable termination or exit charges and meter removal or reversion charges from a **small customer** who was a party to a **prepayment meter market contract**, if permitted to do so by the **prepayment meter market contract** and if the termination occurs after the **trial period** has elapsed.

### 5.2. *Different Retailer*

5.2.1. A **retailer** which is financially responsible to pay the wholesale energy market for energy used at a **supply address** where a **prepayment meter system** is installed must, if requested to do so by a different **retailer** which has entered into a **market contract** or a **standing contract** with a **small customer** at the **supply address** at which the **prepayment meter system** is installed, make immediate arrangements for:

- (a) the removal or rendering non-operational of the **prepayment meter system** at no cost to the different **retailer**; and
- (b) the installation of a **standard meter** or the reversion of the **prepayment meter system** to a standard operating mode so that the **prepayment meter system** operates as a **standard meter**.

***meter system*** operates as a ***standard meter*** at no cost to the different ***retailer***.

- 5.2.2. A ***retailer*** may recover from a ***small customer*** who was a party to a ***prepayment meter market contract***, the fair and reasonable costs incurred pursuant to 5.2.1 (a) and (b), if permitted to do so by the ***prepayment meter market contract*** and if the termination occurs after the ***trial period*** has elapsed.

## 6. DEFINITIONS AND INTERPRETATION

---

### 6.1. Definitions

In this industry code:

**applicable regulatory instrument** means any Act or regulatory instrument made under an Act, or any industry code, guideline or regulatory instrument issued by the **Commission** that applies to a **retailer**.
