

## NOTICE

### APPROVED LIQUEFIED PETROLEUM GAS DISTRIBUTION NETWORK

1. Pursuant to Schedule 3 of Australian Gas Networks Limited's (ABN 19 078 551 685) Gas Distribution Licence issued under the Gas Act 1997, the Essential Services Commission has approved the operation of a liquefied petroleum gas (LPG) distribution network in the Mount Barker, Littlehampton and Nairne area, as specified in Map 1.
2. The approval commenced on 1 February 2017.
3. The approved LPG distribution network is subject to the requirements of Australian Gas Networks Limited's Gas Distribution Licence and the requirements of the Reticulated LPG Industry Code (as amended from time to time).
