<b>Option to write your submission:</b>	<p>The continuation of this water dispute (since 2016) has and continues to be having a huge impact on the community in Mount Compass. Both mentally and financially and then to add to the residents' concerns we are not being heard. ESCOSA cannot give us any feedback or give us an opportunity to have any of the pricing details explained [REDACTED]</p> <p>ESCOSA was holding public meetings with residents with the initial determination but since then not able to do so because of the tribunal hearing. Cannot understand why water charges are going up by over 20%. This does not appear to be justified.</p>
