

## NOTICE

### APPROVED LIQUEFIED PETROLEUM GAS DISTRIBUTION NETWORK

1. Pursuant to Schedule 3 of Australian Gas Networks Limited's (ABN 19 078 551 685) Gas Distribution Licence issued under the Gas Act 1997, the Essential Services Commission has approved the operation of a liquefied petroleum gas (LPG) distribution network in the Mount Barker, Littlehampton and Nairne area, as specified in Map 1.
2. The approval commenced on 1 February 2017.
3. The approved LPG distribution network is subject to the requirements of Australian Gas Networks Limited's Gas Distribution Licence and the requirements of the Small-scale Gas Networks Code (as amended from time to time).
