Dear Adam,

Reference: VIBE ENERGY PTY LTD – VARIATION TO ELECTRICITY GENERATION LICENCE – REMOVAL OF 480KW TATIARA MEAT COMPANY GENERATOR

Vibe Energy Pty Ltd (ACN 136 551 703) ATF Australian Renewable Power Generation Unit Trust formally requests a variation to our ESCOSA Generation Licence to remove item 1 in the Annexure as follows:

1. Diesel (or Bio-diesel) generator within the Tatiara Meat Company, Meatworks Road, Bordertown - maximum capacity of approximately 480kW.

The 480kW diesel generator asset was sold on 30th September 2022 and transferred to JBS Australia Pty Ltd as the owner of the Bordertown Plant where the embedded generator is installed.

All other generators listed in the Generation Licence remain part of Vibe Energy Pty Ltd's portfolio.

We confirm:

- 1.1 Vibe Energy Pty Ltd (the applicant) and it's officers and major shareholders remain suitable to hold a licence and:
 - 1.1.1 have shown a high level of honesty and integrity in all of its commercial and other dealings
 - 1.1.2 have not been found guilty of any criminal offence
 - 1.1.3 have not been successfully prosecuted under any Territory, State or Commonwealth legislation
 - 1.1.4 have not been the subject of disciplinary action, and
 - 1.1.5 have not been the subject of any past and/or present administrative or legal actions in relation to an authorisation, authority or licence in any industry.

- 1.2 The applicant has adequate financial resources to carry out the remaining electricity generation operations.
- 1.3 The applicant has the technical resources to carry out the remaining electricity generation operations.
- 1.4 The applicant has the human resources to carry out the remaining electricity generation operations.
- 1.5 The applicant has an appropriate risk management plan to address the risks associated with the remaining electricity generation operations.
- 1.6 The applicant has an appropriate compliance plan to address compliance with the obligations associated with the remaining electricity generation operations.
- 1.7 The removal of the generator has not impacted the applicant's ability to operate the remaining generators.

Please feel free to contact the undersigned should you wish to discuss this Licence Variation request.

Yours sincerely,

Dean Panos

Director - Vibe Energy
