Dear Mahommed

IBA Wilpena Solar Pty Ltd – Surrender of Electricity Generation Licence

I refer to your letters of 7 June 2024 and 14 June 2024, in which IBA Wilpena Solar Pty Ltd (ACN 627 850 588) (IBA) provided notice regarding the surrender of its electricity generation licence, currently authorising generation operations in Wilpena Pound, subject to the sale of the Wilpena Pound resort and successful exemption application by the purchaser, Discovery Holiday Parks Pty Ltd.

Pursuant to section 29 of the *Electricity Act 1996*, notice must be given to the Essential Services Commission at least six months before the surrender is to take effect. The Commission may agree to shorten the required period.

On 9 October 2024, IBA advised that the sale of the Wilpena Pound resort was successful. Accordingly, IBA has requested that the standard six-month notice period for surrender be shortened.

Having regard to IBA's request to surrender its licence and that IBA no longer owns the Wilpena Pound resort, I advise that the Commission has agreed to both the shorter timeframe and the surrender of IBA's electricity generation licence, effective on and from 20 November 2024.

Please be aware that IBA remain obliged to provide final regulatory reporting for 2024-25, for the period in which IBA held its electricity generation licence.

Should you wish to discuss these matters further, please contact Adam Abrahams Zelko, Licensing and Compliance Officer, on (08) 8389 8810 or via email on licensing@escosa.sa.gov.au.

Yours sincerely

Kim Weimer
Acting Chief Executive Officer
