Subject: Orroroo water quality project.

To whom it may concern,

My name is Jennifer Hooper and I'm writing to you about the proposed Peterborough/Orroroo pipeline.

As an Orroroo resident I can having better water would a great benefit as I would use it to do my washing and not having to worry about

it wrecking my machine and my lawn will go so

much better. Also I just recently ran out

of rain water and had not been for someone kindly giving I

would have had to buy some in something

that as I'm unemployed could get quite costly so having

the better I could also use it when my water runs out again.

Thankyou for reading this.

Jennifer.
