

## Essential Services Commission of South Australia

### Electricity Act 1996, Section 63A

#### WRITTEN WARNING

1. Based on investigations conducted by the Essential Services Commission of South Australia (**Commission**) into data provided to it by Momentum Energy Pty Ltd (**Momentum**) for the purposes of apportioning 2015 energy efficiency targets in accordance with the Electricity (General) Regulations 2012, the Commission is satisfied that Momentum is in breach of clause 5.4.2 of the Retailer Energy Efficiency Scheme (**REES**) Code (REESC/08).
2. The Commission formally warns Momentum in relation to the identified breach and, in order to remedy adverse consequences of that breach, requires Momentum to:
  - (a) provide evidence to the Commission that appropriate compliance measures have been put in place to avoid any future breaches of the data reporting requirements of the REES Code (REESC/08); and
  - (b) execute the Undertaking and Acknowledgment attached as a schedule to this Written Warning and return it to the Commission once executed and, in any event, by no later than 20 November 2015.
